WELCOME

Festoon Light is a family business, that focuses its services on festoon and bespoke string lighting.

Encouraged by our 30 years' experience within the lighting industry, we created our consumer centred e-shop to cater for and work alongside our customers who regularly required lighting to strict and specific measurements.

Festoon Light continues to grow and increase its presence on the lighting stage every day. With the introduction of seasonal collections and a wider product catalogue, every term we are proud to fulfil our mission to decorate and illuminate in the best way possible.

Our bespoke services and connectable range allow for endless possibilities in terms of fittings, there are no specific requirements we can't adhere too.

Our team are on hand every day to help and guide you through our seasonal collections. We can provide you with advice and support for any lighting queries you may have. Please do not hesitate to get in touch, we look forward to hearing from you.
